

REFERENCE LETTER – OLIVIA GORODETSKA-DANCE

To Whom It May Concern,

As the Programme Leader and Principle Lecturer for the BA (Hons) in Creative Media Production, at Prague City University, I was Olivia's Professor as well as Programme Leader during her final year of BA studies in Prague.

During all of her studies Olivia has been an admirable and exemplary student. She has demonstrated dedication, passion and commitment to her studies, her peers, her work, and always produced work of a very high standard.

Olivia previously studied at Prague Film School, and already had a strong body of work upon starting at PCU, with a unique point of view and advanced storytelling skills, which is evident in her final BA thesis short film.

She has excelled in her communication and collaboration skills whilst at PCU, proving she was acutely aware of the importance of communication when she was the project manager and client liaison on an advertising campaign during her "Client Project Production" class. The client commented on Olivia's professionalism and was extremely impressed with her.

If I could sum up Olivia in one word I would say "Professional". Olivia has worked as a Director, Producer, and 1st AD and in all roles, she has always been meticulously organised, always on time with excellent communication and collaboration skills, has an attention to detail, is always calm under pressure, shows initiative, can multi task and solve problems.

Olivia would be a true asset to any company or institution, she would dedicate herself fully, be extremely reliable, and in addition she is not afraid to tackle challenges, she is excellent with people, kind and positive in nature. She has the ability to listen and develop her skills, but also to lead a team.

I would not hesitate to recommend her for any career opportunity that she wishes to pursue. Please feel free to contact me if you have any further questions.

Sincerely,

Mgr. Maia Horniak
